KN 9.52

OIL FILTER SOCKET, SIZE (WAF) 74.5MM

Applicable to Ford 1.5 and 1.6 EcoBoost petrol engines.

Fitted to: Ford C-MAX II, Focus III, Galaxy III, Kuga II, Mondeo IV, Mondeo V, S-MAX II, Transit Connect II etc.

A special feature of this oil filter socket is its lateral drive allowing you to loosen and tighten hard-to-reach cartridge-style oil filters quickly and professionally. Due to the limited space available in front of the cartridge oil filter, the loosening and tightening with the aid of conventional oil filter tools can be quite difficult, sometimes even impossible.

Made in Germany
